JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

3. *Sanitary policemen*.—(a) Sanitary policemen shall be selected by the board, subject to the approval of board of commissioners, from persons duly qualified for such work.

4. *Dairy, meat, and other food inspectors*.—(a) Dairy, meat and other food inspector shall be selected by the board, subject to the approval of the board of commissioners, from persons duly qualified for such work.

5. *The charity physicians*.—(a) In the month of January in each year the board of health shall employ, subject to the approval of the board of commissioners, four physicians to be known as charity physicians. Said employment shall be for the period of one year, or until their successors are appointed and qualify. Said physicians may be removed at any time by the board of health, subject to the approval of the board of commissioners. Vacancies shall be filled as original appointments are made.

(b) The board, subject to the approval of the board of commissioners, may select one or more physicians to attend smallpox cases, the same to be paid out of the epidemic fund.

(c) The charity physicians shall vaccinate against smallpox all indigent persons applying to them for such service. The health officer shall supply the vaccine needed.

(d) It shall be the duty of the city physicians to render medical attention to all charity patients of the city of Lexington other than those in the hospital. All calls for services for such physicians shall be made through the office of the Associated Charities of the city of Lexington, which office will apportion duties for attending city cases as nearly as possible among the four physicians. It shall be the duty of each of said physicians to attend one hour every day at the tubercular dispensary. Said physicians will make reports to the board of health at the end of each month showing the number of patients treated, giving their names, places of residence, kinds of diseases, results of treatment, number of deaths, and any other information that they may deem important.

(e) The charity physicians on visiting patients at their homes for the first time shall note, on a form supplied for this purpose, a brief report on the sanitary surroundings of said patients. And they shall promptly transmit this report, properly filled out, to the health officer.

(f) The charity physicians shall each receive the sum of \$300 per annum for their services, to be paid in monthly installments as city officials are paid.

(g) The Associated Charities is authorized and empowered to purchase the necessary drugs and medicines for the use of charity patients, and issue same to the charity physicians. The accounts for same, not to exceed \$25 per month for each month of the year, when properly approved by the health officer, shall be paid by the city as other city accounts are paid.

6. *The Fayette County Tuberculosis Society*.—(a) The Fayette County Tuberculosis Society shall make monthly reports to the health officer of work done within the city.

7. *The medical inspector of schools*.—(a) The medical inspector of schools shall make monthly reports to the health officer.

Nuisances—Polluted Wells—Privies and Cesspools—Premises—Manure—Common Towels—Feeding Cattle. (Ord. 149, July 9, 1913.)

SEC. 3. *Nuisances*.—Whatever is dangerous to human health, whatever renders the ground, the water, the air, or food a hazard or an injury to human health, and the following specific acts, conditions, and things are, each and all of them, hereby prohibited and made unlawful.

1. The deposit or accumulation of any foul, decaying, or putrescent substance, or other offensive matter, in or upon any lot, street, or highway, or in or upon any public or private place; the overflow of any foul liquids, or the escape of any gases to such an extent that the same, or any one of them, shall become, or be likely to become, haz-

ardous to health; or that the same shall, by reason of offensive odors, become a source of discomfort to persons living or passing in the vicinity thereof.

2. A polluted well, spring, or stream, or the pollution of any body of water used for drinking purposes.

3. The maintenance of any privy vault or cesspool, except as hereinafter provided.

4. Keeping any building or room in such a state of uncleanness, or the crowding of persons in any building or room in such a manner as to endanger the health of the persons dwelling therein, or so that there shall be less than 400 cubic feet of air to each adult, and 150 cubic feet of air to each child under 12 years of age occupying such building or room.

5. Allowing cellars to be used as sleeping rooms.

6. A building or portion of a building occupied as a dwelling which is not lighted and ventilated by means of at least one window in each room, said window opening to the outer air; which is not provided with a plentiful supply of pure water.

7. The accumulation of manure unless it be in a properly constructed pit or receptacle.

8. The accumulation of water in which mosquito larvæ breed.

9. The maintenance, in a public place, of a roller towel for the use of more than one person.

10. The slopping or feeding of cattle or other animals on distillery swill, within the sanitary limits of the city, unless the inclosure wherein such slopping or feeding is done be provided with means for preventing and removing the insanitary conditions associated with such slopping or feeding.

11. Any person violating any part of this section shall, upon conviction, be fined not less than \$10 nor more than \$100, and each day's continuance of any such nuisance or condition mentioned herein shall be a separate offense.

Stables and Manure. (Ord. 149, July 9, 1913.)

SEC. 4. *Special regulations—Stables.*—1. Every person owning or leasing any stable or other building where any horse, mule, or any cattle are kept shall maintain a substantial and sufficient receptacle which must be so constructed and kept as to protect the contents from rain, and to be so screened as to prevent access to flies, and all manure from such horse, mule, or cattle must be placed in such receptacle.

2. All persons owning or leasing any stable where more than six head of horses, mules, or cattle are kept shall have all manure from such animals removed from their premises twice in each week from the 1st of May to the 30th of September, and at no time shall the same be allowed to accumulate in such a manner as to become a nuisance. In no event or circumstance shall any manure be thrown or deposited in any alley, street, or public place, or suffered to remain in such places.

3. Every owner or lessee of any stable shall at all times keep, or cause to be kept, the building and premises in a clean and sanitary condition.

4. No person hauling manure through the streets shall permit the same to litter the streets.

5. Any person violating any part of this section shall, upon conviction, be fined not less than \$10 nor more than \$100, and each day's continuance of any such nuisance or condition mentioned herein shall be a separate offense.

Barbers and Barber Shops—Sanitary Regulations. (Ord. 149, July 9, 1913.)

SEC. 5. *Barber shops.*—1. Every barber's shop within the city of Lexington shall be open to this board for inspection at any time, and the following rules shall be observed therein:

(a) All barber shops, together with all furniture, shall be kept in a clean and sanitary condition.
